

Directions to The Thrifty Stitcher

Some info on where we are, and how to get to us, and how to get in touch!

Our studio is inside a large warehouse unit on the left hand side of shelford place. There are 3 doorways into the warehouse, ours is the second door after a large grey shutter. If you enter by any other doorway, you may get lost inside! We have a laminated sign on the outside door. To gain access, give us a quick buzz on 07852 206613. It takes a few minutes to walk from the studio to the outside door.

There are over 55 units inside the warehouse, so do use the door way (2nd) with our plastic laminated sign on it, if another door is open and you enter that way, the warehouse is a tardis and you will get lost.
